

*Happy New Year to you and yours from myself and the staff here at Bisley.*

**GALLERY RIFLE AND PISTOL  
INTRODUCE A FRIEND TO SHOOTING AT BISLEY  
NEW FOR THE 2008 SEASON**

You must know at least one member of your club who may well want to compete at Bisley but feels that they are "not good enough" or that they won't know what to do. With your support and advice, they could become one of the hundreds of Gallery Rifle competitors who get such a lot of enjoyment from competing here.

Starting with the Spring Action Weekend, if you introduce a competitor new to Bisley (one who has not entered a Gallery Rifle Weekend before) you will get a free entry for one event next time you enter.

If you bring a competitor from your club or elsewhere, to one of the Gallery Rifle Weekends at Bisley and they enter and compete, you will be given a voucher, which will be worth a free entry to one event at another Gallery Rifle Weekend at Bisley. If you bring two new competitors you will be given two vouchers and so on.

All you have to do is complete a simple claim form and we will send you a voucher/s.

**A NEW EVENT FOR LBR'S & LBP'S**

New to the Bisley GR & P event portfolio is the Timed and Precision 3. Based on the old European Police Pistol Match this has been adapted for the firearms currently used. A big thank you to Cheshunt Rifle & Pistol Club and Sharon Bowden for trialling this event. You will see more of Sharon on the Range running this competition. Due to range space being a premium we will not be able to run this at the Phoenix Meeting but it will be available at the other meetings during the year.

**TARGET SHOTGUN FESTIVAL – SATURDAY 23 FEBRUARY**

The entry form and details are now available for download on the NRA and NSC websites for the owners of any section one shot gunners out there.
