

Hello to you all,

Medals Gallery Rifle National Championships

The long delay for the GRNC medals is finally over and they have now arrived at Bisley. We will not be posting them out until after AAW as competitors attending the meeting will be able to collect them from reception. If you are not attending AAW we can post your medals on to you.

This can be done by contacting Sally Agnew on shootsec@nra.org.uk

Online entry system

For those of you who are waiting for the online entry system to appear, it would be prudent to post your entry form in to beat the late entry fees. At the last meeting some payment problems were discovered with the online entry system and we are trying to ensure this will not happen again, but I cannot predict when (or indeed if) the system will be running for the AAW.

AAW RO

As the Autumn Action Weekend is a few weeks away my thoughts are turning towards drumming up and organising volunteers for the event. I hope you are able to come and help out. If so please follow the link and fill out the simple form giving your details and requirements for AAW.

Fund Raising

We've all got that random box of odd spares for guns we don't own anymore but don't throw out just in case... well now is your chance to convert them to cash!

Again, there will be the opportunity to place an advert on a designated and prominent notice board. For a nominal fee you can fill in a postcard sized advert with whatever you want to swap or sell, or even something you've been looking for. Cards will be available from reception. Your advert will be up for the duration of the meeting and you will be responsible for providing your own contact details and arranging your own sale or swap. All proceeds will go towards helping our UK GR teams shooting abroad.

So fight the dreaded credit crunch, get spring cleaning, and turn some of those dusty boxes into beer money! Also keep your eye on the board if you're keen for a bargain. Remember proceeds go towards helping our GR team do us proud abroad!

Good shooting and good luck!

Brian Thomas
