CLUB TEAM ENTRY FORM

- Team events are only open to teams of shooters who all belong to the same Club and this must be the Club declared on their entry form.
“Scratch” teams with members from different clubs are specifically not permitted.
- The team entry must be made and team members declared before the first member of the team shoots the event.
- Each shooter must enter the appropriate individual event; the score will carry forward to contribute to the overall team score. All scores will count.
- The team events are all shot concurrently with the individual events (the event is not shot separately for a team score).
- Each member of the team can shoot at any time during the meeting.
- Gold medals will be awarded to all members of the winning team in each event – no silver or bronze awards will be made.
- If you wish to enter more than one team, please copy the form and use one for each team.

Good Shooting!
